Blut

Volume 44 1982

Journal of Experimental and Clinical Hematology

Organ of Deutsche Gesellschaft für Hämatologie und Onkologie
of Deutsche Gesellschaft für Bluttransfusion und Immunhämatologie
and of Österreichische Gesellschaft für Hämatologie und Onkologie

Managing Editors/Schriftleitung

H. Heimpel, Ulm
D. Huhn, München

Springer-Verlag Berlin Heidelberg New York

The journal "Blut" was founded in 1955 by G. Blumenthal †, W. Laves †, and H. Nachtsheim † and was continued by W. Stich. In 1965 the journal "Folia Haematologica N.F." was united with "Blut".

The journal is the official organ of Deutsche Gesellschaft für Hämatologie und Onkologie, Deutsche Gesellschaft für Bluttransfusion und Immunhämatologie and Österreichische Gesellschaft für Hämatologie und Onkologie.

Up until Vol. 34 No. 2 (1977) inclusively "Blut" was published by J.F. Lehmanns Verlag, Munich. As of Vol. 34, No. 3 (1977) it has been published by Springer-Verlag Berlin Heidelberg New York.

It is a fundamental condition that submitted manuscripts have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform or any other reproductions of similar nature, and translations. Photographic reproduction, microform, or any other reproduction of text, figures, or tables from this journal is prohibited without permission from the publisher.

Authors of this journal can benefit from library and photocopy fees collected by VG WORT if certain conditions are met. If an author lives in the Federal Republic of Germany or in West Berlin it is recommended that he contacts Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.

The use of general descriptive names, trade names, trade marks, etc., in this publication, even if the former are not specifically identified, is not to be interpreted as exempt from the relevant protective laws and regulations and may accordingly be used freely by anyone.

While the advice and information in this journal is believed to be true and accurate at the date of going to press, neither the authors nor the editors nor the publisher can accept legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special Regulations for the USA
The Article Fee Code on the first page of an article in this journal indicates the copyright owner's consent that in the USA copies may be made for personal or internal use, provided the stated fee for copying beyond that permitted by Sections 107 or 108 of the United States Copyright Law is paid through the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA.

If a code does not appear copies of the article may be made without charge, provided permission is obtained from the publisher.

The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or resale. Specific written permission must be obtained from the publisher for such copying.
